There are many areas needing volunteers all year long in order for the association to function properly. However, our greatest need for volunteers to be available and reliable is during Rodeo Week. Directors and Chairman can give you further information on positions/committees, available openings and details of work involved in each.

BENEFITS OF MEMBERSHIP WITH PRESCOTT FRONTIER DAYS®, INC.

Prescott Frontier Days®, Inc. is officially recognized as the World's Oldest Rodeo®, and as a member, you become involved in the excitement of this historical annual event as well all of the many other events sponsored by Prescott Frontier Days®, Inc. You will find friendship and fellowship with others who share the same interest. We also offer many social functions/events throughout the year that may include a Christmas Party, Potluck Dinners, Valentine Dance, Trail Ride, Ice Cream Social, Queen's Pageant, Kickoff Party, and much more (there may be a fee for some events). Make sure that you get a chance to sign up to volunteer to help out.

Our meetings are scheduled every Third Friday of each Month, held in the Danny Freeman Building at the Prescott Rodeo Grounds, unless otherwise posted. Just prior to Rodeo Week, the meetings are then scheduled more frequently. You will receive a Monthly Newsletter. Prescott is the "Worlds Oldest Rodeo®"; our **Motto** is "We Rodeo We Give". Don't miss the opportunity in helping to maintain the history of Prescott Frontier Days®, Inc., and have a lot of FUN!
